

1. Introduction

This End-User License Agreement ("EULA") constitutes a legally binding agreement between the Licensee and [Outline Online](#), represented by **Laura Csocsán** and **Samira Schneuwly**, the Licensor. The Typeface(s) provided by [Outline Online](#) directly, or through authorized resellers or distributors, are subject to the terms and conditions outlined herein. The Licensee, referred to herein as the "License Owner," denotes the entity utilizing the Typeface(s) for its intended purpose. This encompasses both individual users licensing the Typeface(s) for personal use and businesses licensing them for commercial use. For designers or agencies acting on behalf of a client, the client assumes the role of License Owner.

By accepting this agreement, the Licensee, as well as any individuals acting on behalf of the Licensee, acknowledges and agrees to comply with the terms of this EULA upon purchase, download, installation, or use of the Typeface(s) provided by [Outline Online](#). This agreement governs the acquisition and usage of the Typeface(s), outlining rights, limitations, and responsibilities. Acceptance of this agreement may occur through affirmative action, such as clicking an "I agree" button, accessing the Typeface(s) after being presented with the agreement, or upon downloading any Typeface(s) provided by [Outline Online](#).

1.2 Definitions

- ▶ **EULA:**
End-User License Agreement
- ▶ **[Outline Online](#):**
The entity providing the Typeface(s), represented by Laura Csocsán and Samira Schneuwly
- ▶ **Typeface:**
Digital typeface software provided by [Outline Online](#).
- ▶ **Company Size:**
Refers to the categorization of the Licensee's organizational size within predefined brackets: from **5** to **2000** employees or individuals.
- ▶ **License:**
A legal permission or authorization granted by the licensor to the licensee, outlining specific rights and terms of use for the typeface software.
- ▶ **Licensee:**
The individual or entity to whom a license is granted, thereby authorized to use the Typeface(s) according to the terms specified in this license agreement.
- ▶ **Licensor:**
The individual or entity granting a license to another party, thereby giving permission for the use of typeface software under specified conditions outlined in this license agreement.
- ▶ **Designer:**
Individual or entity creating designs using the Typeface(s).
- ▶ **Client:**
End User for whom the Typeface(s) are utilized.

2. License Grant

The Licensee, upon acceptance of this agreement, receives a non-transferable, non-exclusive License to utilize the Typeface(s) as specified herein. This License does not confer ownership of the Typeface(s), but grants the right to use them in accordance with the terms outlined in this EULA. All proprietary rights, including copyright, trademarks, electronic data, designs and names remain with [Outline Online](#).

3. License Types

The type of License you have purchased is specified on your invoice. Should the Licensee exceed the company size indicated in the License metrics section of the invoice, an upgrade will be necessary. Additionally, the License fees are one-time payments without any recurring subscription fees. To streamline the process and avoid the need for continuous monitoring and upgrades based on growth metrics, consider opting for the Unlimited License option available for purchase. [Outline Online](#) offers various License types to accommodate different usage scenarios:

3.1. Desktop/Print License

The Desktop/Print License grants the Licensee permission to install the Typeface(s) on all devices and utilize them for the creation of non-dynamic printed, digital and physical materials including but not limited to **editorial designs, exhibition designs, books, posters, objects, PDFs, illustrations, merchandise** (such as **t-shirts, caps, etc.**), **packaging** (such as **vinyls, CDs, etc.**), **signage, portfolios** and projects within **Figma** and similar platforms, restricted to a single brand, client, or Licensee. The Desktop/Print License encompasses the **OTF** format.

The Licensee retains the right to transmit the Typeface(s) for general output purposes, for example to digital printers or prepress facilities. However, the Typeface(s) must be used solely for the designated output process. Service contractors engaged in output tasks must refrain from generating new documents with the Typeface(s) or altering existing output documents in any manner. Should such alterations be necessary, service contractors must procure an additional License. Unauthorized modification of documents by individuals lacking a License is strictly prohibited. The Licensee bears the responsibility of ensuring that any third parties involved adhere to the stipulations outlined in the EULA. Usage of the Typeface(s) for purposes beyond those explicitly permitted herein is prohibited.

▼ 3.2 Web License

The Web License grants the Licensee permission to utilize the Typeface(s) solely on one web domain and within email newsletters. The Web License encompasses **WOFF** and **WOFF2** formats. No restrictions are imposed on the volume of web traffic. However, to extend usage to additional web domains, the Licensee must purchase separate Web Licenses accordingly. The Licensee retains the privilege to self-host and subset the fonts. Deployment of desktop font formats (e.g., **OTF**, **TTF**) for web purposes is strictly prohibited. The designated website domain will be specified during checkout and documented on the invoice. Employment of technologies other than **@font-face** is prohibited. Usage of the typeface(s) for purposes beyond those expressly permitted herein is prohibited.

▼ 3.3 Logo License

The Logo License grants the Licensee permission to utilize the Typeface(s) exclusively for the creation of a **logo** or **wordmark** for a single brand. To extend usage to another brand, the purchase of a separate logo License is mandatory. The resultant logo or wordmark may be employed across various mediums, including print, social media, videos, and the web. Conversion of the Typeface(s) into outlines within design software for the purpose of editing and creating a logo is permissible. The Logo License encompasses the **OTF** format. Usage of the typeface(s) for purposes beyond those explicitly permitted herein is prohibited.

▼ 3.4 Social Media/Ad License

The Social Media/Ad License grants the Licensee permission to utilize the Typeface(s) for the creation of design assets tailored for a singular brand's utilization across various social media platforms (such as **Instagram**, **Snapchat**, **Facebook**, and **TikTok**). Additionally, this License permits the display of digital advertisements on websites and mobile platforms. For alternative digital ad formats, acquisition of a Desktop License for the specific Font is requisite. Sharing of fonts with advertising providers for ad creation is permissible, provided such third parties are informed of their obligation to adhere to the terms and conditions of this Agreement. Furthermore, you are obligated to embed the Typeface(s) in a secure manner to prevent extraction or access outside the specified digital ads. If producing video content for social media, a Video License is also required. The Social Media/Ad License is inclusive of the **OTF** format. Usage of the Typeface(s) for purposes beyond those explicitly permitted herein is prohibited.

▼ 3.5 Video/Streaming License

The Video/Streaming License grants the Licensee permission to utilize the Typeface(s) in the creation of content featuring animated or moving images tailored for a single brand. This License is essential for the production of video content intended for various platforms, encompassing **cinema**, **streaming services**, **video-on-demand (VOD)**, **online broadcasting**, **advertising** (e.g., **YouTube**, **Netflix**, **television commercials**), as well as **video billboards** and similar media. In instances of creating video content for social media, both a Video License and a Social Media/Ad License are necessary. The Video/Streaming License includes the **OTF** formats. Prohibited uses of the Typeface(s) extend beyond those expressly permitted herein.

▼ 3.6 App/Game/ePub License

The App/Game/ePub License grants the Licensee permission to integrate the Typeface(s) into a **single app** (whether mobile, web, or desktop), a solitary **video game**, or one **ePub**. This License encompasses regional variants and platform-specific versions (e.g., **iOS** or **Android**). Procurement of additional licenses is necessary to embed the Typeface(s) in multiple apps, games, or eBooks. The App/Game/ePub License includes the **OTF** format. Usage of the Typeface(s) for purposes beyond those expressly permitted herein is prohibited.

▼ 3.7 Trial License

Trial versions of the Typeface(s) are strictly intended for **testing purposes** and must never be publicly published, whether for commercial, educational, or personal use. These trial versions are provided free of charge and may be installed on an unlimited number of workstations for an unlimited duration. They may solely be utilized for internal, non-commercial, or educational endeavors. Designers are permitted to utilize trial versions to present design concepts to clients. These trial versions are distributed in **OTF** format and are **not authorized for web** usage. The Licensee is prohibited from disseminating Trial Licenses to any individual, entity, or organization. Furthermore, trial versions feature an extensive yet limited character set and lack **OpenType** features. Usage of the Typeface(s) for purposes beyond those expressly permitted herein is forbidden.

▼ 3.8 Student License

A Student License mirrors the privileges of the desktop License and is exclusively available to students who provide documented proof of their student status. This License is solely available in the 'Company <5' size, offered at a discounted rate of **80%** or available in Student Bundles. It is intended strictly for non-commercial use, such as internal school-related projects or personal work. It may not be used for any client work, commercial projects, or for-profit endeavors. Upon graduation, continued use of the typeface requires the purchase

[Outline Online](#)

of a standard commercial license at the regular rate. Any usage beyond that stipulated under the 'Print/Desktop' License necessitates the acquisition of an additional License without any discount. ♥

▼ 3.9 Non-profit License

A Non-profit License mirrors the privileges of the Desktop/Print License and is solely available to non-profit Organizations that provide documented proof of their non-profit status. The Non-profit License is offered across all Company Sizes and is valid for all License Types specified in this EULA. All Non-profit Licenses are sold at a discounted rate of **40%**.

▼ 3.10 Unlimited License

The Unlimited License is a perpetual, non-exclusive agreement offered to one company, irrespective of its size, granting **unrestricted usage** rights for the Typeface(s) provided by [Outline Online](#). This License encompasses all License Types specified in the End User License Agreement (EULA), thereby eliminating the need for the Licensee to monitor its growth metrics or purchase additional licenses for various use cases. Interested parties must directly contact [Outline Online](#) to initiate the purchasing process for an Unlimited License. This License provides perpetual access to the Typeface(s) without usage limitations. While non-exclusive, it grants comprehensive rights to utilize the Typeface(s) across all License Types, ensuring flexibility and convenience for the Licensee's diverse needs.

▲ 4. Limitations and Permissions▼ 4.1 The following actions are prohibited:

Editing, altering, modifying, adapting, or making any changes to the Typeface(s) in whole or in part, including combining or incorporating them into another typeface, as well as decompiling, disassembling, or reverse engineering the Typeface(s), or attempting any such actions. Reproducing, sharing, copying, distributing, reselling, or using the Typeface(s) in any manner. Allowing any third party to utilize the Typeface(s) on behalf of or for the benefit of any other third party. Using the Typeface(s) in a manner that violates any applicable local, national, or international laws. Employing the Typeface(s) for any purpose deemed by [Outline Online](#) to breach this EULA agreement. Additionally, users must seek permission from Outline Online before using the Typeface(s) in political content. It is strictly forbidden to use the Typeface(s) for racist, homophobic, transphobic, misogynistic, or any other discriminatory content.

The Licensee is granted certain permissions and is subject to limitations including restrictions on modification, distribution, and unlawful use of the Typeface(s). Embedding of Typeface(s) in external software for non-output purposes is prohibited. The Licensee must exercise reasonable caution to embed the Typeface(s) in a manner that prevents extraction from the files they create.

▲ 5. Intellectual Property and Ownership

[Outline Online](#) shall retain ownership of the Typeface(s) in their original downloaded form by the Licensee. The Typeface(s), along with the associated copyright and other intellectual property rights, including any modifications thereof, shall remain the sole property of [Outline Online](#). By purchasing a License, the Licensee obtains the right to utilize the Typeface(s), but does not acquire ownership of the Typeface(s) design. The Licensee is merely purchasing the right to use the Typeface(s) and is designated as a License Owner ("Licensee"). [Outline Online](#) reserves the right to grant licenses for the use of the Typeface(s) to third parties.

▲ 6. Disclaimers of Warranties and Liability

Under no circumstances shall [Outline Online](#) be held liable to the Licensee for consequential or incidental damages, including but not limited to lost revenue, profits, goodwill, or savings, or for any claims made by third parties. Font files provided to a Licensed user must be returned within **15 days** of sale if found to be defective. The Typeface(s) are not guaranteed to function on all computer operating systems, and [Outline Online](#) bears no responsibility for operating system errors or faults in operability.

▲ 7. Termination

This EULA is effective upon full payment for the License and may be terminated by the Licensee or [Outline Online](#) for non-compliance. Upon termination, Licensee must cease all Typeface(s) usage. Surviving provisions remain in force post-termination. [Outline Online](#) reserves the right to revise this agreement at its discretion, without necessitating prior consent, notice, or permission.

▲ 8. Governing Law

This EULA agreement and any dispute arising out of or in connection with it shall be governed by and construed in accordance with the laws of **Switzerland**.

▲ 9. Final Provisions

For custom modifications or legal inquiries, the Licensee may contact [Outline Online](#) directly. Modified Typeface(s) remain subject to the same copyright as non-modified. Legal action will be pursued if the Licensee is found to be using the Typeface(s) illegally. [Outline Online](#) may, at any time, request an audit in order to confirm that the Licensee is complying with the terms of this EULA.

This EULA is published by [Outline Online](#). If you have any questions, please use the contact information provided below.
